

OPEN POSITION

Youth & Young Adult Pastor

YFC Site Leader

God has brought two vibrant ministries together for an even greater impact in our community! In cooperation, Olympic View Baptist Church and Youth For Christ Tacoma are weaving two key positions into one strategic role. One leader, double impact!

OVBC - PASTOR (29 hrs per week)

This position serves as the spiritual and administrative lead for Youth & Young Adult Ministry at OVBC. This includes: daily planning and implementation of an active community focused ministry, support of church activities, coaching of ministry team members, and active participation in the University Place community. We thrive on partnering with families to surround our youth / young adults with the skills, knowledge and relationships necessary to navigate their journey of faith. Our ultimate goal is to create an environment in which disciples are growing towards making disciples.

YFC - SITE LEADER @ CURTIS JR. HIGH (10-15 hrs per week)

The Site Leader is the primary point person for ministry-site health and fruitfulness. The Site leader develops and leads a team of volunteers who serve the Campus community; introducing students to Jesus and assisting them in their journey of following Him. This position plays a critical role in ministry development and implementation in the local community.
